Comments on student's attitude regarding learning:

Throughout the course Yuta Shimizu always did more than requested and gave every lesson the best at all times, made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Regarding the course homework Yuta Shimizu finished all tasks and homework on time with excellence. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Yuta Shimizu was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

Recommendations and next steps:

Some areas that still need improvement are grammatical accuracy, pronunciation and intonation. I would therefore recommend that Yuta Shimizu continue the course with the next level. I also suggest that Yuta Shimizu reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
