Comments and recommendations:

Comments on language progression and skills:

Yasuhiro Kogure made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, pronunciation, word stressing and intonation, business skills, using a wider range of business expressions while practising business skills, accuracy in using more complex grammar structures for business situations, awareness of cultural issues

Comments on student's attitude regarding learning:

Throughout the course Yasuhiro Kogure made positive efforts to integrate the target language and concepts into the conversation, worked very hard to complete the tasks assigned. Regarding the course homework Yasuhiro Kogure made homework only from time to time. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Yasuhiro Kogure was a very enthusiastic and avid learner -- a real pleasure to teach

Recommendations and next steps:

Some areas that still need improvement are fluency, writing skills, vocabulary building, grammatical accuracy, pronunciation and intonation, speaking and listening skills. I would therefore recommend that Yasuhiro Kogure continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement
