Comments on language progression and skills:

Marco Gaggiotti made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, pronunciation, word stressing and intonation

Comments on student's attitude regarding learning:

Throughout the course Marco Gaggiotti made positive efforts to integrate the target language and concepts into the conversation, always prepared well for class, treated learning very seriously. Regarding the course homework Marco Gaggiotti finished all tasks and homework on time with excellence. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Marco Gaggiotti was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

Recommendations and next steps:

Some areas that still need improvement are fluency, conversational skills, vocabulary building, grammatical accuracy, business skills, pronunciation and intonation, writing skills. I would therefore recommend that Marco Gaggiotti continue the course with the next level. I also suggest that Marco Gaggiotti continues being exposed to (language) outside the class as much as possible
