**Comments and recommendations:**

**Comments on language progression and skills:**

Corine Asselbergs made good progress in establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, vocabulary building / more sophisticated vocabulary / more extensive vocabulary

**Comments on student's attitude regarding learning:**

Throughout the course Corine Asselbergs made positive efforts to integrate the target language and concepts into the conversation. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Corine Asselbergs was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

**Recommendations and next steps:**

Some areas that still need improvement are grammatical accuracy, vocabulary building. I would therefore recommend that Corine Asselbergs continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Corine Asselbergs continues practicing outside of class, with friends and colleagues
