Regarding the course homework Fernando Bosch made homework only from time to time. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Fernando Bosch is positive, productive and participative attitude

**Recommendations and next steps:**

Some areas that still need improvement are writing skills, speaking and listening skills, conversational skills, vocabulary building, fluency. I would therefore recommend that Fernando Bosch would benefit from further practise with a native teacher. I also suggest that Fernando Bosch continues practicing outside of class, with friends and colleagues
