**Comments and recommendations:**

**Comments on language progression and skills:**

Stefano Brambilla made good progress in confidence in speaking and listening and comprehension, conversational skills, vocabulary building / more sophisticated vocabulary / more extensive vocabulary, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar 'Stefano has an understanding of the grammar rules but has more difficulty with vocabulary. The focus of this course has been to expand his vocabulary range which has helped him to express himself better. He has to continue to expand his vocabulary in order to become more fluent.'

**Comments on student's attitude regarding learning:**

Throughout the course Stefano Brambilla treated learning very seriously, made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Stefano Brambilla no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Stefano Brambilla was a very enthusiastic and dedicated student, focussing well during the lessons and keen to improve

**Recommendations and next steps:**

Some areas that still need improvement are grammatical accuracy, fluency, vocabulary building, conversational skills. I would therefore recommend that Stefano Brambilla would benefit from further practise with a native teacher. I also suggest that Stefano Brambilla reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
