Comments and recommendations:

Comments on language progression and skills:

James Sutherland made good progress in pronunciation, word stressing and intonation

Comments on student's attitude regarding learning:

Throughout the course James Sutherland treated learning very seriously. Regarding the course homework James Sutherland no real homework was assigned for this course. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall James Sutherland always showed a positive attitude towards learning, this has been the case throughout the course

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation. I would therefore recommend that James Sutherland continues studying and practicing the new skills we covered. I also suggest that James Sutherland continues practicing outside of class, with friends and colleagues
