Comments and recommendations:

Comments on language progression and skills:

Wataru Nakamura made good progress in confidence in speaking and listening and comprehension, pronunciation, word stressing and intonation

Comments on student's attitude regarding learning:

Throughout the course Wataru Nakamura made positive efforts to integrate the target language and concepts into the conversation, treated learning very seriously. Interaction and participation has been a very active student and showed great determination to learn throughout the course. Overall Wataru Nakamura always showed a positive attitude towards learning, this has been the case throughout the course

Recommendations and next steps:

Some areas that still need improvement are pronunciation and intonation. I would therefore recommend that Wataru Nakamura continue the course with the next level. I also suggest that Wataru Nakamura continues practicing outside of class, with friends and colleagues
