**Comments and recommendations:**

**Comments on language progression and skills:**

Tiziana Missana made good progress in conversational skills, confidence in speaking and listening and comprehension

**Comments on student's attitude regarding learning:**

Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more. Overall Tiziana Missana is positive, productive and participative attitude

**Recommendations and next steps:**

Some areas that still need improvement are grammatical accuracy, pronunciation and intonation. I would therefore recommend that Tiziana Missana would benefit from further practise with a native teacher. I also suggest that Tiziana Missana reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
