Comments on student's attitude regarding learning:

Throughout the course Sawako Hamamichi treated learning very seriously. Regarding the course homework Sawako Hamamichi no real homework was assigned for this course. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Sawako Hamamichi always showed a positive attitude towards learning, this has been the case throughout the course

Recommendations and next steps:

Some areas that still need improvement are vocabulary building, speaking and listening skills. I would therefore recommend that Sawako Hamamichi continues to take lessons, once or twice per week, in order to maintain the level of self confidence and ensure continuous improvement. I also suggest that Sawako Hamamichi reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
