Comments and recommendations:

Comments on language progression and skills:

Stefania Cipriani made good progress in confidence in speaking and listening and comprehension, conversational skills, establishing greater grammatical control / improving grammatical accuracy / better use and understanding of grammar, accuracy in using more complex grammar structures for business situations

Comments on student's attitude regarding learning:

Throughout the course Stefania Cipriani made positive efforts to integrate the target language and concepts into the conversation. Regarding the course homework Stefania Cipriani worked hard and always made the assigned homework. Interaction and participation has been excellent attitude to learning. The student fully participated in the lessons and was very keen to increase every aspect of learning. Overall Stefania Cipriani was a very enthusiastic and avid learner -- a real pleasure to teach

Recommendations and next steps:

Some areas that still need improvement are vocabulary building, grammatical accuracy. I would therefore recommend that Stefania Cipriani would benefit from further practise with a native teacher. I also suggest that Stefania Cipriani reads (language) as often as possible, newspapers and magazines, to improve reading skills, increase vocabulary and further improve grammar
