Comments on student's attitude regarding learning:

Throughout the course Andrea Ghini worked very hard to complete the tasks assigned, treated learning very seriously, always did more than requested and gave every lesson the best at all times, always prepared well for class, made positive efforts to integrate the target language and concepts into the conversation. Interaction and participation has been very proactive in practicing in class and taking the advantage to speak more

Recommendations and next steps:

Some areas that still need improvement are conversational skills, speaking and listening skills, pronunciation and intonation, vocabulary building. I would therefore recommend that Andrea Ghini continue the course with the next level. I also suggest that Andrea Ghini listens to (language) as much as possible in the form of Dvds, TV, podcasts...
